WHAT BRINGS CUSTOMERS TO COBMEX:

PSC Uniform Apparel by COBMEX is the premier manufacturer of sweaters for Public Safety, Corporate/Image Apparel, Postal and School Environments. In addition to offering stock product with our label, we also do a tremendous amount of private label programs on both our stock items as well as custom products. Cobmex offers our customers outstanding product, combined with a cost effective value proposition delivered in a timely manner. Our primary market sectors include: airline, transit, security, law enforcement, school, grocery/convenience store, QSR and hospitality.

- 1) **Quality-** We stand behind our product 100%. If you have a quality issue with our product, we will "make it right."
- 2) **COBMEX does not sell direct to end-users.** You will not find yourself competing against us because we do not sell directly to end-users. Period.
- 3) **Robust in-stock inventory of sweaters.** We maintain a comprehensive inventory of stock product in the most important colors for the markets we serve.
- 4) **Low minimum/quick turn for custom product.** We offer minimums as low as 250 units for custom product with 12-14 week delivery. Our technical designer can assist in developing specific product if the need arises.
- 5) **PSC Uniform Apparel by COBMEX sweaters are manufactured with proprietary Durapil™ and Durapil ULTRA™ yarn that are industry exclusive.** Rigorous independent laboratory tests have proven that Durapil™ yarns have unprecedented durability and consistently outperform other pill resistant yarns in both pilling and abrasion tests.

We at Cobmex know the importance of selling a product that will maintain the quality and durability that is needed for the school uniform market. Introducing our Durapil ULTRA™ yarn technology into this market has provided our customers with sweaters that preserve the comfort, softness and resilience needed for the rigorous day to day use of school uniform products.

With a manufacturing and sourcing team that has over 25 years experience around the globe, Cobmex has become a leader in manufacturing custom private labeled products with partners that understand the need for quality, consistency, flexible minimums and quick turnaround times. Our team will not leave one stone unturned to find the best quality and pricing for our customers while maintaining the highest levels of social compliance. We have a team of trained quality auditors which ensure our products are made to the standards our customers demand!
